

Moorefield U13 B's V Naas U13(3)

14<sup>th</sup> August 2011

Venue Naas:

On this the first outing for our U13B lads in the Autumn All County League Div 8, it was also the first meeting of these 2 teams in a competitive match. With only 17 lads in total being able to tog out for this meeting we were very low on numbers in comparison to this panel's usual turnout. Never the less the team were well up for this meeting and after a nervous start things began to settle.

From the throw in Naas, playing with the wind, were asserting their authority around the midfield area and were getting some very nice balls into their full forward line. Fortunately enough our back line seemed to gel together quickly to meet this challenge, with a **MAN OF THE MATCH PERFORMANCE** from **FULL BACK Séan Kerr** leading the fight.

2 Points from the Naas half forward line saw the Moores trailing, but from this slow start, the lads now were starting to move up the gears and the football was improving from second to second.

A dominant Moores side went on to keep the Naas lads scoreless for the rest of the match with some fine performances from Sean Kerr, JoJo Conlon, Conor Darby and Ryan Quirk in goals.

The final score of 2-07 to 0-02 does not reflect on the overall match as Naas were a lot stronger than what the score line reflects!!!

Well Done Lads, keep it up..
